

I have been a loyal KLOVE listener for many years. It is a vital part of my daily routine. It is a radio station I can turn to that has family friendly programming. I do not have to censor of the music or DJs. They provide a caring place for people in need. Their phone lines are always open to those who need someone to talk to. These are some of the reasons why I feel the LPFM stations should not be allowed to take priority over current FM translator services. KLOVE provides a vital message of hope to the communities it is broadcast in.
